Effective Date: April 14, 2008

This Lease Extension and Advance Rental Payment Agreement (the "Agreement"), is between Owner and Operator, both named above.

Owner is the present owner of all or an undivided interest in and to the rights, title and interests of the Lessor in the oil and gas lease described, and Operator is the present owner of all of Lessee's rights, title and interests in and to the Oil, Gas and Mineral Lease (the "Lease"), dated April 15, 2005 recorded at document no. D205172226 of the Official Public Records of Tarrant County, Texas. Reference is made to the recorded Lease for a full description of the lands it covers, and for all other purposes.

It is the mutual desire of Owner and Operator to amend the Lease to extend the primary term of the Lease as provided for in this Agreement.

For and in consideration of Ten Dollars and other good and valuable consideration, the receipt and sufficiency of which are acknowledged by Owner, the primary term of three (3) years stated in Section two (2) of the Lease, is deleted and in lieu of that statement there is substituted the words and figure "Five (5) Years," extending the primary term of the Lease to April 15, 2010.

Except as amended by this Agreement, the Lease shall remain unchanged, and for the consideration paid by Operator and received by Owner: (a) Owner and Operator ratify, confirm, and adopt the Lease as amended and acknowledge that it is valid, subsisting, in full force and effect, and agree that the sum paid by Operator to Owner shall be considered not only the consideration for this Agreement but shall also constitute the full delay rental payment accruing under the Lease, as amended, for the extended period of the Lease; and, (b) Owner grants, leases and lets the lands described in the Lease to Operator, its successors, sublessees and assigns, on all the terms and provisions of the Lease as amended by this Agreement.

This agreement may be executed in any number of counter parts, each of which shall be considered an original for all purposes, notwithstanding that all parties are signatories to the same counterpart. Failure of any one or more of the parties hereto to execute this agreement or a counterpart hereof shall not affect the validity and binding effect of this agreement as to those parties who execute the same. The signature and acknowledgement page of one counterpart original of this agreement may be removed and inserted into a

duplicate counterpart to facilitate the handling of the agreement as a single, fully executed, composite agreement.

This Agreement is binding on and shall inure to the benefit of the respective heirs, successors, legal representatives, sublessees or assigns of Owner and Operator. It is executed by Owner and Operator as of the date of the acknowledgment of their signatures below, but is effective, for all purposes, as of the Effective Date stated above.
